Animal Welfare Statement

Shutlanger Village Hall Management Committee will comply with the Animal Welfare Act 2006 as far as it is relevant to the hall premises and gardens.

We will:

Welcome well-behaved dogs to the hall and garden, however, they remain, always, the responsibility of their owners.

Should the need arise other animals will also be welcome but, if relevant, will be the responsibility of owners.

We will never cause pain/suffering or allow an animal to be injured on our premises.

We expect that animal waste is collected and removed from the hall and gardens.

We will provide water in a suitable container for dogs.

This policy will be reviewed annually.
