## Modern Slavery and Human Trafficking Statement

This Modern Slavery and Human Trafficking Statement is a response to Section 54(1), Part 6 of the Modern Slavery Act 2015.

Shutlanger Village Hall Management Committee is committed to preventing slavery and human trafficking violations in its own operations, its supply chain and its products. We have zero tolerance and require our supply chain to comply with our values.

### Organisational Structure

Shutlanger Village Hall has business operations in the charitable sector. Our supply chain is from reputable sources such as local suppliers and large multi-nationals with similar modern slavery standards.

### Policies

We operate several internal policies to ensure that we are conducting business in an ethical and transparent manner.

These include safeguarding and procurement policies.

We make sure our suppliers are aware of our policies and adhere to the same standards.

### Due Diligence

As part of our efforts to reduce the risk of slavery and human trafficking occurring in our supply chain, we have adopted the following due diligence procedures:

Our due diligence procedures aim to:

- Identify and action potential risks in our business and supply chains.

## **Risk and Compliance**

Shutlanger Village Hall does not consider it works in a high-risk environment because its suppliers are from verified sources.

We do not tolerate slavery and human trafficking in our supply chains. Where there is evidence of failure to comply with our policies and procedures by any of our suppliers, we will report such failures to the police and cease to trade with these suppliers.

## **Effectiveness**

Business and supply chains will have these Key Performance Indicators monitored:

- Anti-modern slavery policy.
- Delivery of services and goods in a timely, cost-effective and environmentally aware manner.

This policy will be reviewed annually.
